

## Distribution Lines

Industrial heaters, sensors, controllers, contactors, accessories and software. 3-year controller warranty and technical support.

Standard/custom manufacturing of thermocouples, RTDs and accessories. Same day shipping with large stock inventory.

Manufacturer of Heating Elements, Controllers, Sensors & Process Heating Systems

Cartridge, Band and Strip Heaters, Thermocouples and RTDs, Controllers and Accessories. Same Day Shipping available.

Split-sheath cartridge, immersion and platen heaters, and other related high-temperature accessories.

Immersion, Air, Steam generated Water, and Radiant Heaters, as well as ovens & furnaces

Cloth Heating Jackets, Tapes, Silicone Rubber Blankets, Drum/Pail Heaters, Tote Tank Heaters, Gas Cylinder Warmers, Heating Cable, Mantle Heaters and more

Mold Releases, Cleaners, Rust Preventatives, Purging Compounds, Cutting Oils and Lubricants

Melt pressure sensors, transmitters and transducers for the plastics industry

Immersion heaters, Heating and Cooling coils, Controls, Temperature Protection Systems and Accessories, Titan-DI Water System.

Cartridge heaters, coil and strip heaters

Providing energy efficient freeze and fire protection

Industrial Heaters, Controls, Panels, Sensors and Heat Tracing Products and Packaged Systems

24 Hour Emergency Heater Line, Service Calls/Contracts, Heater Repair & Evaluation, Custom Control Panels, Vessel Fabrication, Custom Welding, Complete Software Solutions, Inventory Management, Lunch & Learns, Thermal Loop and Maximizing Heater Life training, Custom Control Set up and turn-Key thermal systems.
