

Drool Shield is a UniTherm trademarked product designed for the plastics industry and distributed by Thermal Solutions of Texas.

Drool Shield fits on the nozzle of an injection machine and protects drool back from destroying heater bands, wiring and insulation blankets. The Teflon coating on the exterior makes for easy removal of plastic drool.

### Benefits

- East to Install
- Protects Heater Bands
- Easy Clean Up
- Saves Downtime

### Design Components

- Air Craft .080 Aluminum
- Custom Fit Packing
- Therma Slick Coating
- Stainless Steel Clamp
- Binding Post Guides
- Teflon Packing
