Thermocouples
RTD's
Thermowell Assemblies
Digital Thermometers
Infrared Sensors

Pressure Products

Melt Transducers
Gauges and Displays
Rupture Disks

Systems

Circulation Systems
Forced Air Systems
Hot Oil Systems

Accessories

High Temp Wire
Thermocouple Wire
Extension Wire
Connectors
Terminal Blocks
High Temp Ring Lugs
T/C Plugs and Jacks

Services

- Service Calls / Contracts
- Heater Repair & Evaluation
- Oven Repair & Evaluation
- Vessel Fabrication & Welding
- Complete Software Solutions
- Inventory Management
- Custom Control Setup
- Turn-Key Thermal Systems
- International Field Service

Insulation

Thermal Blankets
Exhaust Systems
Freeze Protection

Process Products

Process Heat & Air
Plastic Welding
Air Radiation Heater
Integrated Control
