

Thermal Solutions of Texas is now offering calibration and repair services. We specialize in temperature related products, offering local and on-site calibration services. Contact us today for your free estimate.

Benefits

- ◆ Reduces down time
- ◆ Minimal disruption to manufacturing time
- ◆ Immediate answers to your calibration inquiries
- ◆ Lower overhead and increase cost savings as much as 50%
- ◆ Service Contracts – Scheduled calibration services and programs

Repair Service

- ◆ N.I.S.T. traceable standards
- ◆ Factory & ISA trained technicians
- ◆ Free estimates
- ◆ Field repair service

Certification Service

- ◆ N.I.S.T. traceable standards
- ◆ Automatic recall notices

Typical Products Serviced

- ◆ Ovens and Furnaces
- ◆ Thermocouples and Thermistors
- ◆ Timers, Controllers and Indicators
- ◆ Infrared Thermometers
- ◆ Probes and Pyrometers
- ◆ Chart Recorders
- ◆ RH, RTD and Voltage Probes
- ◆ Switches, Thermometers and Transmitters

Calibration Service

- ◆ Automated calibration program
- ◆ Mobile calibration equipment
- ◆ Authorized written procedures
- ◆ Minimum 4:1 accuracy ratio
- ◆ Compliance with ISO/IEC 17025

Other Services

- ◆ Pickup and delivery program
- ◆ Loaner and rental programs

- ◆ Calibrators and Data Loggers
- ◆ Inductance, LCR and Modulation Meters
- ◆ Micro, Mili and Meg-Ohmmeters
- ◆ Multimeters and Oscilloscopes
- ◆ Panel Meters
- ◆ Power Supplies
- ◆ Signal Generators
- ◆ Smart Communicators

Pricing

Calibration

Temperature Controllers	\$150.00
<i>(Up to two channels, \$30.00 for every additional channel. Calibration is for RTD, E, J, K, T and U type thermocouples)</i>	
Temperature Limit	\$120.00
<i>(Calibration is for RTD, E, J, K, T and U type thermocouples)</i>	
Temperature Recorder/Logger	\$265.00
<i>(Up to six channels, \$30.00 for every additional channel. Calibration is for RTD, E, J, K, T and U type thermocouples)</i>	
Temperature Indicator/Thermometer	\$ 80.00
<i>(Includes digital, glass and bi-metal)</i>	
IR Gun	\$ 85.00
IR Imager	\$150.00
Thermocouple Probes	\$ 65.00 <i>per</i>
<i>(Calibration is for RTD, E, J, K, T and U type thermocouples/probes)</i>	
Profiling	\$445.00 <i>per oven</i>

Service **\$150.00** *per hour*

On-Site **\$445.00** *fee*

Mileage **\$ 0.90** *per mile*
