

Stocking Program Agreement

Date: _____

Vendor: Thermal Solutions of Texas, LLC
14306 Mary Jane Lane
Tomball, TX 77377

Customer: _____

Thermal Solutions of Texas, LLC would like to provide our stocking assistance, as required by _____ . For your convenience, we will stock the following items:

TSOT ITEM	MANUFACTURER'S PART NUMBER	MIN/MAX	REL QTY	RELEASE DATES	PRICE EA.

Thermal Solutions of Texas, LLC will manufacture/stock the above items on a rotating basis for the allotted time period agreed beginning on the day the first purchase order is issued and ending one (1) year later. We offer this service due to the long lead times of many components. This will significantly reduce the lead time and our items will be available for rapid ship for emergency situations.

If within any six months from your last release date, you have not released items from stock, we will send those items to _____. In the event _____ makes an application and/or engineering change or discontinues use of the given item(s), _____ agrees to accept delivery of all remaining stocked quantities of items that Thermal Solutions of Texas is holding as stock, as agreed to by both parties.

If _____ should experience any problems with quality, we would require that you notify us immediately in order to make any changes necessary. Thermal Solutions of Texas will advise any price changes at the end of each year of the agreement.

Any questions related to the item(s) on this stocking agreement should be directed to Thermal Solutions by email at sales@thermalsolutionsoftexas.com or by phone at (281) 351-4328.

Upon return consent from _____ we will proceed with stocking/manufacturing of the above mentioned items. Please sign below and return at your earliest convenience.

Thank you for allowing us to provide our product and services to you.
